Workshop Season At ComedKares

Our centers have been buzzing with activity! We recently hosted a series of engaging workshops, from mastering the art of robot combat in Robo Sumo to wielding design magic with Advanced Figma. These workshops weren't just about technical skills – they were designed to spark innovation and ignite a passion for creation among a total of 149 enthusiastic participants. To add a dash of friendly competition and keep things exciting, we incorporated concluding competitions into over 6 workshops and sessions.

I am very happy to learn how to 3D print, sir explained very nicely. I will make sure learn something more about 3D printing.

JANUARY WRAPPED!

Towards the fag end of the year, ComedKares centers have been buzzing with hybrid and in-centre engagements. Our IDT and Robotics courses continue to be popular across the 8 regions. Notably, this month saw even more participation and accolades won by students, reinforcing the power of a supportive ecosystem in the successes of students in tier 2 and 3 regions. Our students continue to visit the centers post their programs, especially students who undertook the Social Connect Through Field Visit course and have also January has been a springboard for student aspirations, with continued engagement fostering a sustainable ecosystem of learning and collaboration.

AUTOMATED CERTIFICATE GENERATION!

Great News: Your Access to Certificates Just Got Faster and Easier!

We've revamped our certificate distribution system to bring you a hassle-free, automated experience. From the moment you sign up for any event on our Platform to the instant your attendance is verified, your certificate will be automatically generated and sent your way. No delays, no manual requests—just instant gratification at its best. Experience the convenience of our upgraded system today!

WHAT'S LATEST?

OUR INNOVATION HUBS ARE MAKING WAVES!

The Innovation Hubs in JP Nagar, Banaswadi, Yelahanka, Mysore, Kalburgi, and Mangalore are buzzing with activity, deeply engaging students in a wide array of courses with an ever-growing student community now reaching **1,026** members, we're proud to share that our average satisfaction rating stands strong at an impressive **4.5/5**. This achievement highlights the quality and impact of our educational initiatives, proving that even as our numbers grow, our commitment to excellence remains unwavering.

Participant Testimonials

It is our first workshop and I got to understand somethings and it felt good."

– Shabrin K R, Mangalore

"It's so nice because we got to learn ideas on how to make a robot."

–Shabaz S M

CELEBRATING STUDENT ACHIEVEMENTS!

STUDENT SPOTLIGHT!

28 students from 7 teams across 4 COMEDKARES centers participated in a series of 6 events, showcasing their skills and teamwork. Their hard work and dedication paid off, bringing home a total of 7 awards, including:

- 3 First Place finishes
- 1 Second Place finish
- 1 Third Place finish
- 2 Additional Wins

This impressive accomplishment highlights the quality of education and the potential of our students at ComedKares. We are proud of their achievements and can't wait for more!
